EXPLORE. CREATE. INSPIRE.

Volunteer Opportunities

Our volunteers are the foundation of the Children's Science Center!

You don't need a math or science background or any specific experience to help out; you just need a lot of enthusiasm and a little bit of time.

You choose how you would like to volunteer...

- Occasional, short term or regular commitment
- Behind the scenes or direct interaction with children
- At home, at our locations, or around the region at our events
- Individual, group or corporate opportunities

At the Lab

Engage guests and provide support at the Children's Science Center Lab at Fair Oaks Mall.

Behind the Scenes

- Presenting Ambassador
- Marketing and Communications
- Education
- Special Events
- Grant Writing and Fund Development
- Administrative
- Graphic design and photography

In the Community

Interact with guests at our community programs at schools and local venues.

Why volunteer?

- Have fun
- Develop new skills and talents
- Make new friends
- Explore career and personal interests
- Increase your self-confidence
- Make a difference
