

Internship Opportunity Community Outreach Intern

*Unpaid Internship / Academic Credit Available with
Approval*

Date:

March 30, 2018

Position Description:

The Community Outreach Intern will report to the Education and Program Manager and offer administrative and programmatic support to the Children's Science Center Lab's Summer Mini Lab programming.

Qualifications:

- Demonstrates interest in elementary education, STEM subjects, and/or informal education
- Comfortable interacting with children, parents and/or caregivers, and general audiences
- Interest in working closely with school-aged children
- Keen organization skills and flexible with fluid curriculum
- A self-starter
- Attention to detail, quick and independent learner
- Is an energetic and positive team player
- Excellent communication and audience interaction skills
- Must be 16 years or older to apply
- Can provide own transportation

About the Summer Mini Labs:

90 minute day programs at ten Loudoun County Public Library events that utilize hands-on STEM activities geared toward children in grades K-5 and their families.

Location:

Children's Science Center, Office
3949 Pender Drive #120B
Fairfax, VA 22030

Compensation:

Unpaid; qualifying academic credit or volunteer service hours applicable

To Apply:

Please send a **cover letter** detailing reasons for interest in position, a favorite science joke, and a **resume** to Internships@ChildSci.org with "Community Outreach Intern" in the subject line.
